### **City Air Cadets Take Top Prizes**

The humidity did not dampen the spirits of six Quebec Air Cadet groups at the annual drill and band competition in the Hussars armory on the weekend.

Montreal squadrons went home with both main prizes.

The Walsh trophy for drill squads went to 621 (Canadair Cartier) squadron, 16 Wing, and the Illsley trophy for bands to 96 (Alouettes) squadron.

Hundreds of parents and friends were on hand to cheer as the boys were put through their paces. Senior ranking RCAF officers made the inspection and judged the competitions.
