THEY'RE OFF TO CAMP - These cadets from no. 16 Canadair Air Cadet Wing wave cheerfully as their train pulls out of C.P.R. Windsor Station Saturday night. They are en route for Greenwood, N.S., where they will attend a two week summer camp attached to the Maritime Air Command base there. Over 100 boys left in the party, commanded by Wing Commander Eric Simms. All are between the ages of 14 and 18.
